

How big is God's love?

The LORD is compassionate and gracious, slow to anger, abounding in love. He will not always accuse, nor will he harbor his anger forever; he does not treat us as our sins deserve or repay us according to our iniquities. For as high as the heavens are above the earth, so great is his love for those who fear him; as far as the east is from the west, so far has he removed our transgressions from us. Psalm 103:8-12

Dear Parent,

Ever seen a singing kite and a singing moon? Your child did! The reason was to help them understand that God's love is higher than the sky! He has demonstrated that great love by separating our sins from us, much like parent separates a dirty diaper from a child. Because God has cleansed his children from their sins, they can live at peace with him. When we forgive each other, we give up the right to be mad. We can't forget what others do to us, but we can decide not to be mad. Help your child understand this by telling them you forgive them when they do something wrong. This is just what Jesus has done for you.
